## YOUTH CONFESSES TO ATTEMPTED ROBBERY

Single Handed Young Man Attempts To Hold Up Cashier of Wentworth Bank.

E. Lance, twenty-one years old, heretofore favorably known in this section, single handed attempted the robbery of the Wentworth Bank, Wednesday afternoon.

The youth, according to the account given by U. P. Moody, assistant cashier, entered the bank about 1:45 o'clock in the afternoon and asked to use the typewriter. He was given permission and he then asked for a note book. As Mr. Moody entered the vault he was surprised to find himself covered with a revolver by the young man. Moody acted quickly and seized the gun in such a way that it could not be discharged. The young man then ran from the building, entered his Ford car and left town.

The bank telephoned a description of the would-be robber to Monett. Chief of Police Joe A. Jackson sent two deputies, John Holland and Ras Matthews, out to scout around. They met young Lance coming to town with both front tires off his car. They detained him, but thinking they might be on the wrong track, they let him go and he came to town.

Later Mr. Jackson held the boy under arrest and Mr. Moody positively identified him as the one who was in the bank. Later in the evening young Lance confessed and Sheriff Sanders of Newton county took him to Neosho for trial.
